

# DISCOUNT TRUCK TIRES

Your association is pleased to announce a new tire purchase program available **only to NCAPL members**. You can get \$100-130 per new tire discount at your local GCR, Colony, Snider, Black's, Parrish, TireSource, or White's tire dealerships. See the attached price sheets. Price sheets are also available at [www.ncloggers.com](http://www.ncloggers.com). Over 80 sizes of highway truck and trailer tires under the Continental and General brands are included in this program. The discounts are now active and all you need to do is say you are a NCAPL member and the tire dealers will verify your membership on [www.ncloggers.com](http://www.ncloggers.com). Your business depends on safe and cost effective transportation from the woods to the purchasing facilities. Discount programs such as this are member benefits to improve your profitability.
