1 Coverall	\$0.99	\$0.30	\$1.31

- *Garment Maintenance Program- GMP** is designed to eliminate the “nickel & dime” effect. We have determined that the average monthly miscellaneous charge is **30%** of the base price. So we decided to go ahead and add that number into your total.

GMP covers **EVERY** miscellaneous charge. From Set-up Costs to Damage and Replacement Costs (within reason). This allows **peace of mind** and a **no hassle bill!**
- Halifax Linen** is proud to present **SMART GARMENT SYSTEM**. The smart system uses an **RFID chip** to identify each garment to its individual owner.

No more sorting of employees laundry before it leaves for cleaning. Simply put the dirty laundry in a bag and we'll arrive at our scheduled time, pick up the dirty laundry and drop off a full weeks worth of clean, fresh laundry!

With this proven technology, we are able assure **100% accurate deliveries to you!**

Contact us at **1-800-20LINEN (54636)** and we will gladly schedule an appointment.

Visit www.loggingservices.biz or contact **Tyler Smith: (919) 427-6927** for other discount products and services available to all NCAPL members!
