

LOGGING SERVICES AND EXCHANGE, LLC

AGREEMENT

The undersigned agrees to allow Logging Services and Exchange, LLC (LSE) to contract with authorized waste oil recycling companies to remove waste oil from designated business locations. LSE is managed by the NC Association of Professional Loggers, Inc. and as such will use the proceeds from the sale of the waste oil to further the mission of the NCAPL. The undersigned authorizes the waste oil recycling companies to issue payment to LSE for gallons removed.

The undersigned can email their request for waste oil pickup to oilpickup@ncloggers.com call (910) 655-2619.

Quantities over 100 gallons are preferred but smaller quantities can be handled by special request. Waste oil should be free of antifreeze and other contaminants. Please call when the tank is about 80% full.

Authorized by:

Business Name _____

Address (location of storage tanks)

Signature

City _____

State _____ Zip _____

Contact Phone Number: (____) _____
